Swimming Levels

BaySwim learn to swim levels are skill based, so your child will be receiving the best tuition regardless of age. Our progressive teaching model means they will be challenged at every level and moved up as soon as they are ready.

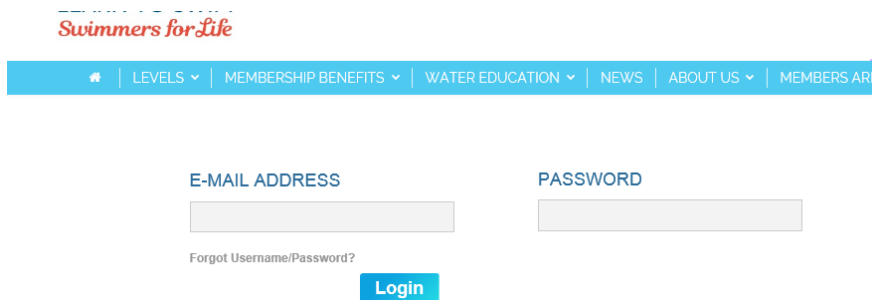

Our staff are fully trained to ensure your child is getting the best out of their lessons, with class sizes kept small for more focused learning.

If you're new to Bayswim you will need to book into an assessment class, once you have been assessed your relevant classes & times will be available online for booking. If you're a returning Bay Swim customer please login to view lesson times for your current swimming level.
